

COURSE MARKING

Our relationship as an official supplier for the snow sports and cycling industries spans nearly two decades, and we are committed to providing clubs and teams of all types and levels with the high-quality and reliable supplies that they need to produce a successful race. All products are customizable to satisfy the needs of both the event producers and event sponsors, and meet all regulated requirements for safety and finishing.

ALPINE GIANT SLALOM

Our gate panels are manufactured with bright, fade-resistant fabrics, and are custom finished to meet your specifications. Custom printing and World Cup finishing options are available, as are grommets, sleeves and ties to meet your specifications.

30" x 20"

ALPINE DOWNHILL

Our gate panels are manufactured with bright, fade-resistant fabrics, and are custom finished to meet your specifications. Custom printing and World Cup finishing options are available, as are grommets, sleeves and ties to meet your specifications.

30" x 40"

ALPINE DUAL COURSE

Our gate panels are manufactured with bright, fade-resistant fabrics, and are custom finished to meet your specifications. Custom printing and World Cup finishing options are available, as are grommets, sleeves and ties to meet your specifications.

SNOWBOARD SLALOM

Available in para-dyed twill, nylon or jersey mesh fabrics, in either Slalom or GS styles, our snowboard gates are finished with tear-away Velcro tabs and sleeves. Custom printing is available on both sides of the gate panel.

30" x 30"

SNOWBOARD GIANT SLALOM

Available in para-dyed twill, nylon or jersey mesh fabrics, in either Slalom or GS styles, our snowboard gates are finished with tear-away Velcro tabs and sleeves. Custom printing is available on both sides of the gate panel.

53" x 44"

DISTANCE MARKERS – HANGING

Custom hanging distance markers available in a variety of configurations and substrates. Choose from independent shepherd's hook hanging signs to barrier-mounted pole signs. Contact your account manager for further possibilities.

DISTANCE MARKERS – STANDING

These simple stand-alone tri-fold coroplast distance markers provide a very cost-effective solution for any type of distance, site or wayfinding identification. Custom shapes and sizes available. Contact your account manager for options.

18" x 18"

PENNANT FLAGS

Individual pennant strings in custom sizes and shapes – not just traditional triangles! Use for college flags, city events, race day events or pageantry. Pennant lines are an easy and affordable way to decorate and draw attention to your site or event, and may even be used as a cost-effective solution for finish lines and boundary marking.

50' or 100' Lengths

BARRIER TAPE

Ideal for crowd control, parking boundaries and emergency sites. Printed polyethylene material comes in 3" x 1000' rolls. Available in red, blue, green, yellow, orange and white.
