

BRANDED ACCESSORIES

Don't miss out on additional branding opportunities! Add visual impact to what may otherwise be eyesores by incorporating decorative covers to your functional event supplies, including trash receptacles, hay bales and barrel weights.

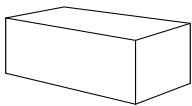

BARREL COVERS

Our covers are an excellent way to promote your club or business, or promote sponsor recognition. We use a heavy duty, reinforced vinyl that is easily wiped clean, shipped and stored. Custom printing available by request. Print full color digital or screen printed spot color graphics. Available for 32 or 55 gallon drum sizes.

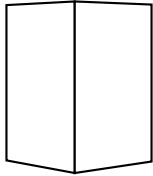

Small – 32 gallon cover
Large – 55 gallon cover

BALE COVERS

Enhance your sponsor's presence with EPS-Doublet custom printed hay bale covers. Ideally suited for mountain bike, ski, motocross and outdoor event courses. Available in polyethylene or vinyl. Two standard sizes available.

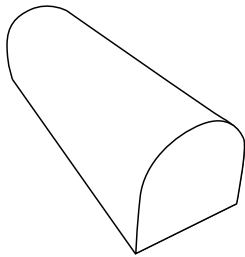

TRASH TRAVELER

Used by event organizations, government programs and individual consumers alike, the Trash Traveler is a foldable, indoor/outdoor trash receptacle that can be taken where most trash cans can't go. Made to fit on top of most surfaces or be anchored into the soil, this durable trash receptacle is adaptable for any use, and when combined with custom printed graphics, can further promote an event, brand or sponsor.

17" x 17" x 31.5"

DISPLAY TUNNEL

The Display Tunnel is an effective medium to attract extra attention at any outdoor event. This portable outdoor display is ideal for events and marketing campaigns in all kinds of environments. The Display Tunnel has a unique spring construction, which allows the product to virtually unfold itself once you remove it from its carry bag.
