

EVENT CREDENTIALS

Secure your next event with high quality personalized passes and credentials. EPS-Doublet offers a wide variety of standard sizes and formats from small key tags to 4" circles and custom shapes. We use the most advanced production equipment available for staff, management, talent, VIP and press identification. Personalize credentials with variable data, QR codes, and photo ID.

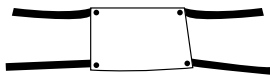

Our customizable armbands are excellent for enhancing security by providing wearable identification for officials and other access-approved staff members.

CREDENTIALS

Laminated passes are nearly indestructible with three layers of material, ideal for long tours or multi-day events. Use your own artwork or engage our design team to create a custom look and feel for your event. In addition to common sizes, custom sizes and shapes are available.

ARMBANDS

We produce custom armbands for a variety of needs, including identifying contestants or event officials, security and safety personnel. Over the arm stretch or Velcro tabbed versions are available.
