

▶ FLAG ACCESSORIES

A variety of accessories are available to ensure greater stability or ease of portability of your banner for any given use or environment.

MAMBA POLE

Our Mamba Pole is great for indoor and outdoor use. The telescopic pole is used for our Sharkfins, Playa and Teardrop banners, as well as tent verticals. Pole tip will correspond to banner being used. Comes with standard metal ground socket with spindle. Optional folding spindle base and water bladder are available. Carry bag included.

RUBBER BASE

Rubber base accessory for use when standard ground stake cannot be utilized.

TRAVEL BASE (HEAVY DUTY)

Folding heavy duty base with arm collapses slimline for travel. Includes sleeve cuff, Allen wrench and arm.

COLLAPSIBLE BASE

Folding base with spindle arm collapses slimline for travel. Includes Allen wrench.

ECONO STAKE

3 pound stake (mallet not included)

PLATE BASE

Low profile bases provide added stability for your pole banner. Includes Allen wrench and arm. Available in black.

SMALL – 16" SQUARE
LARGE – 20" SQUARE

HEAVY DUTY STAKE for 21' poles

5 pound heavy duty stake (mallet not included)
