

▶ FLAG STANDS

EPS-Doublet offers a wide variety of outdoor branding solutions, including stand-alone flag systems. Choose the height and configuration that will provide the greatest message broadcast based on your location, and customize the graphics to fully satisfy your brand's identity or promotional offer. The temporary nature of flag stands, versus traditional sunken or bolted poles, makes them an ideal solution for retail storefronts, outdoor festivals and event wayfinding.

ALL DIMENSIONS = BANNER WIDTH X BANNER LENGTH X MAX POLE HEIGHT

FLAGSTAND 1

The FlagStand 1 is a lightweight, portable flag stand perfect for all outdoor events and marketing campaigns. It is very stable even in strong winds and is available either with a weighted base or with a ground stake. Available in 3 sizes.

Small – 39.5" x 70" x 78.75"
Medium – 39.5" x 110" x 118.25"
Large – 39.5" x 150" x 157.5"

FLAGSTAND XL

A stable, portable flag stand with a telescopic function, making it possible to vary the height up to 18'. The simple construction with very few loose parts allows simple transportation and makes the product fast to mound and set up. The FlagStand XL comes in two versions: one with weighted plates, the other with water bladder weights.

47.25" x 181.25" x 216.5"

WIND DANCER

Wind Dancer is an excellent solution for outdoor banner display. It offers and adjustable display height of up to 207" and comes with a hollow base allowing the option of adding either water or sand. The constructed unit is easy to position, erect and remove.

43" x 144" x 207"

WIND DANCER LT

A smaller version of the standard Wind Dancer flag stand, the LT display has an adjustable height of up to 162". The Wind Dancer LT comes with a hollow base allowing the option of adding either water or sand. The constructed unit is easy to position, erect and remove.

31.5" x 90" x 162"
