

NATIONAL FLAGS

EPS-Doublet's offering of standard sized nation flags and miniature tabletop flags are sure to meet your every expectation and need. Available in a variety of sizes and representing hundreds of international locations and organizations, our flags are finished to your exacting specifications including colors and graphics.

EPS-Doublet proudly includes its role as Flag Provider for the 2012 London Olympic Games in its ever-growing portfolio of world class events.

STANDARD

National flags feature double stitching, a notably tough header, brass grommet finishing and thorough reinforcement in high stress areas. Available flags include all U.S. state flags and over 200 international country flags. Various sizes and production runs available.

MINIATURE

Miniature table-top stick flags are available in the following categories: American Flag, U.S. states and territories, American Military flags, American historical flags, International and World flags and Religious flags.
