

RACE BIBS

Enhance the look of your race events by decking out your contestants with one of EPS-Doublets custom printed race bibs. Add high impact graphics and colors to get the greatest recognition of both your event and its sponsors.

OVERSIZED JERSEY

Slip-on basketball style jerseys made of breathable mesh. Roomier fit with a contemporary style.

SNOWBOARD JERSEY

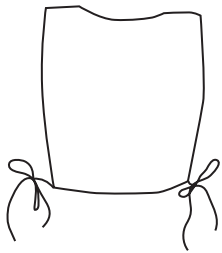

Sturdy stretch jerseys with screen printing or dye sublimation. Cap sleeves are optional for added sponsor logos or identification. May be custom modified to suit other sports.

SKI/STRETCH JERSEY

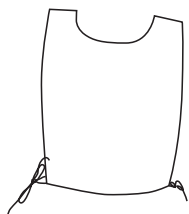

Designed for elite international competitions with custom imprinting on both front and back. Lightweight bib pull-son like a t-shirt while four-way stretch fabric and elastic waist keep the bib snug and prevents ride-up. All ski bibs are designed to meet F.I.S. specifications.

DELUXE COMPETITION BIB

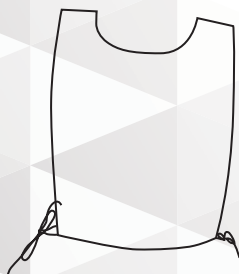

Durable bibs with added binding to reinforce edges. Bottom binding ties around the waist. Available in Nylon or Poly/Cotton Twill.

COMPETITION BIB

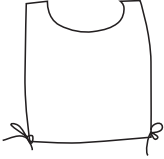

A durable, easy to clean, economical bib made of Acrilan or Vinyl. Bottom edge binding ties at waist.

OVERSIZED BIB

Similar to the Deluxe Competition Bib, but roomier for ease of movement. All edges are finished with binding and bottom binding ties at the waist. Available in Poly/Cotton Twill or Nylon.

KIDS BIB

An easy-on, easy-off bib solution. Provided with either Velcro straps or bottom binding ties at waist. Adjustable for kids of all sizes. Available in Vinyl.

CADDIE BIB

Features generous front pocket, adjustable Fastex side buckles (click in / squeeze and pull out) and coordinating binding. Available in breathable Jersey Mesh or Poly/Cotton Twill. Inserts for corresponding player name also available.
