

# STAR SHADE TENTS

Star tents are tension fabric structures supported by a single center pole and ground-up tension. The six elegant arches give added visual appeal and at 7.5' high, offer ease in entering the covered area. The Star Shade folds down into 3 carry bags to fit in the trunk of most standard vehicles.

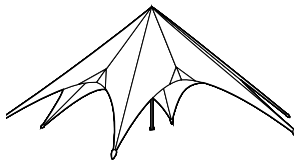

## STAR 43

Frame weighs 73 lbs. (canopy weighs 97 lbs.) and has 6 arches with an entrance height of 7.5'. Comes with carry bag.
